

Rudolph Ranches LLC Breeding Contract

This certifies _____ herein referred to as Mare Owner, has engaged in one breeding to _____ for the _____ breeding season.

Mare Name: _____ Color: _____ Year Foaled: _____ Registry: _____

Registration Number: _____ Owner's Name (As it appears in Registry): _____

Owner's ID: _____ Expected Breeding Date: _____

Rudolph Ranches, LLC owner of the above stallion, will herein be referred to as Breeder. This Service is engaged subject to the following:

1. All mares are subject to approval from the Breeder. The Breeder may state a reason or give no reason at all for the rejection. In the event of a rejection, the booking fee will be returned to the Mare Owner. All HYPP positive and parrot mouthed mares will be rejected.
2. A booking fee of \$100.00 is payable with this contract and the balance of \$ _____ is due upon receipt of mare or upon release of semen to Mare Owner / shipping company. Shipment is normally made via Federal Express or United Parcel Service. Shipments may be limited to certain days of the week. Booking fee is refundable less any expenses incurred by the Breeder.
3. A legible photocopy of the mare's papers must accompany this contract. A digital photo of mare is required
4. The Mare Owner agrees that the mare offered for breeding is in sound breeding condition and free from infection or disease. The Mare Owner will present a signed Veterinary Health Certificate. A current negative Coggins report must accompany the mare when delivered for pasture breeding.
5. The Mare Owner agrees that, if necessary to enhance a successful conception, the Breeder may at his, or her, discretion have all reasonable and customary needed veterinary reproductive work on mare completed by the Breeder's veterinarian. Any and all veterinary fees incurred, whether reproductive or otherwise, while mare(s) & foal(s) are within the Breeder's custody and/or control are the responsibility of the Mare Owner and are due and payable before the mare(s) leave the premises.
6. If semen is shipped for artificial insemination the Mare Owner agrees to adequately feed, worm and vaccinate the mare during the pregnancy. The Mare Owner is expected to keep printed records of the vaccination and worming schedule of the mare and agrees to allow the Breeder and/or a licensed veterinarian to inspect the records upon request. Mares in fescue areas MUST be taken off fescue a minimum of 6 weeks before their estimated foal date.
7. The Mare Owner may not substitute a mare for another mare during the breeding season unless written permission is granted by the Breeder. Substitution mares are subject to the same approval process as the original mare.
8. The Breeder represents the semen collected is of sufficient motility and morphology to accomplish pregnancy and that the semen meets or exceeds the industry standards when shipped. However, the Breeder does not guarantee a pregnancy and shall not be held liable in the event the mare fails to become in foal. If semen is damaged or destroyed during shipment, breeder will re-collect at no charge if able.
9. If necessary, additional shipments of semen may be obtained by the Mare Owner and are subject to a \$75 charge. A maximum of 2 shipments at the reduced rate is allowed. Afterwards, semen may be obtained at the current breeding fee and after a contract is signed.
10. The Breeder is not responsible for any costs associated with inseminating the mare, including the subsequent injuries, infections, infertility, etc.
11. Live Foal Guaranty (LFG) – The Breeder guarantees a viable foal resulting from a pregnancy from the semen contracted here, subject to the provisions above. The Breeder defines viable as the foal standing and nursing on its own within 24 hours. The Mare Owner is expected to give reasonable assistance and medical attention as necessary to the foal upon its arrival. Foals must be deceased in order to receive the LFG. Other considerations for re-breeds may be given under special circumstances and are completely at the discretion of the Breeder.
12. If it is necessary to invoke the LFG, the Mare Owner must notify the Breeder within 5 days of the foal's death or abortion and will be subject to the fees associated with additional shipments.
13. This contract is not transferable or assignable.
14. This contract shall be construed and governed by the laws of the State of _____. If any legal action is used to enforce the terms of this contract, and if a judgment is found against the Mare Owner, the Breeder shall be entitled to receive from the Mare Owner, the Breeder's attorney fees, cost of discovery, filing fees, court fees, travel costs and miscellaneous expenses surrounding the suit. If the Mare Owner files suit against the Breeder, in the event of dismissal, the Mare Owner will be responsible for Breeder's attorney fees, cost of discovery, filing fees, court fees, travel costs and miscellaneous expenses surrounding the suit.
15. The breeder reserves the right to refund any booking fee in the event the stallion is unavailable to be collected or bred to.

1. The Mare Owner must contact the Breeder via telephone at (425) 422-3142 a minimum of 48 hours in advance of collection or mare delivery.
2. An AQHA Breeders Certificate will be issued once all expenses have been paid by the Mare Owner and the mare has been deemed in foal. A Transported Semen Certificate shall accompany each shipment and must be signed and returned to the AQHA within 15 days of insemination in order for the foal to be eligible for registration. Mare Owners are required by AQHA to Parent Verify each shipped semen foal.
3. Payment may be made via personal check payable to Rudolph Ranches LLC.
4. Please sign 2 copies of this binding contract and return to:
